Repetitive Strain Injuries, RSIs are an everyday concern and can include everything from tendonitis to lower back strain. IMPACTO THERMO WRAPS provide natural heat therapy for prevention, treatment and rehabilitation of injuries, arthritic pain and repetitive strain. THERMO WRAPS captures body heat, increase circulation and provide compression and support to the affected area. Designed with durable and flexible multi-layered materials with reinforced stitching to ensure long lasting wear. Soft lining wicks away moisture, allow skin ventilation and helps prevent skin irritation. Machine washable. THERMO WRAPS are worn directly against the skin.
